## Spend Less Time Planning and More Time Teaching

**INSTRUCTOR  
RESOURCES**

With Cengage Learning's Instructor Resources to accompany many of our books, preparing for class and evaluating students has never been easier!

This valuable Instructor CD-ROM or Instructor Resource Site allows you anywhere, anytime access to all of your resources:

- The **Instructor's Manual** contains various resources and answers for each chapter of the book and is available in Microsoft Word® format and/or Adobe Acrobat PDF® format.
- The **Computerized Testbank** in ExamView®<sup>1</sup> makes generating tests and quizzes a snap. With thousands of questions and different styles to choose from, you can create customized assessments for your students with the click of a button. Add your own unique questions and print rationales for easy class preparation.
- **Customizable presentations** in PowerPoint®<sup>2</sup> format focus on key points for each chapter, and can also include video, animations and photos.
- Use the hundreds of images from the **Image Library** to enhance your presentations in PowerPoint® format, insert into test questions or add visuals wherever you need them. These valuable images are pulled from the accompanying textbook, are organized by chapter, and are easily searchable.
