## Engaging. Trackable. Affordable.

Interested in a simple way to complement your text and course content with study and practice materials?

Cengage Learning's Drafting CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook. Watch student comprehension soar as your class works with the printed textbook and the textbook-specific website. Drafting CourseMate goes beyond the book to deliver what you need!

#### Features of Drafting CourseMate include:

- An interactive eBook
- Interactive teaching and learning tools including: quizzes, flashcards, videos and more!
- Engagement Tracker, a first-of-its-kind tool that monitors student engagement in the course.
