Before the assignments...before the tests...before the diploma...comes the foundation of learning: engagement. Like you, our passion is to engage the minds of your students and challenge them to think critically. Cengage Learning uniquely combines people, products, and personalized services to help you prepare students for success – in the classroom and in life.

**LEARNING SOLUTIONS: Beyond Memorization. Understanding.**

Offer your students learning resources focused on engagement, taking students through the levels of application, analysis, and critical thinking with depth and context.

Cengage Learning’s Computer Science CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook.
